Practice Title: Counter Attacking Lead Practice

Practice Detail / Notes:

This Lead Session is played in an area 50(W) x 50 (L). 3 Pinks managed against 4 coached Oranges plus a target player for Pinks to play into to score in either of 2 mini goals. Coach Oranges to counter in a 13 against managed Pinks in a 21. This will allow you to really focus on movement patterns in the final third. This practice simulates situations where both full backs have advanced and the opposition central midfielder aims to protect a vulnerable central defensive pair; work out how to break this situation down.

Practice Title: Counter Attacking 11 v 11

Practice Detail / Notes:

This full 11 v 11 practice focuses on the quick counter attack. Pinks are managed to defend the counter in a 442 and Oranges are coached to counter attack in a 352 formation. This practice can be used as a follow up to many other sessions such as Lead, Phase, Functions and Small Sided Games. With central defenders added to the Phase of Play example, establish how central defenders can play direct on gaining possession. They must identify immediate gaps and decide if they should counter short or long.
